AGENDA 47 ★ 15 ISSUES

SOLUTIONS TO HEAL AND PROSPER OUR AILING NATION!

REBUILD THE GREATEST ECONOMY IN HISTORY Pay less in taxes, get a bigger paycheck, and have more job opportunities for American workers.

FAIR TRADE FOR THE AMERICAN WORKER Bring back our supply chains, rebuild America into a manufacturing superpower, ban Chinese ownership of all critical infrastructure, and cut dependence on China for essential medical and national security goods.

UNLEASH ENERGY DOMINANCE Unleash our nation's energy resources to, once again, reduce gas prices and lower utility costs. Eliminate the socialist Green New Deal to ensure we are never again at the mercy of a foreign supplier of energy.

SECURE BORDERS AND RECLAIM NATIONAL SOVEREIGNTY Shut down Biden's border disaster. Stop gang members and criminals from freely walking into our country. Deliver a merit-based immigration system protecting American labor, promoting American values.

WAR ON THE DRUG CARTELS Take down the drug cartels. Designate them as FTO-Foreign Terrorist Organizations. Choke off their access to the global financial system. Fix it so drug kingpins and vicious traffickers never sleep soundly again.

STOP CRIME AND RESTORE SAFETY Revitalize and strengthen police departments. Put criminals behind bars. Surge federal prosecutors and the National Guard into high-crime areas to protect men and women in those hard-working communities.

RENEW AMERICAN STRENGTH AND LEADERSHIP Keep America out of unnecessary foreign wars. Protect America against all threats. Strengthen our military by hiring patriots who share our founding values. Build a next-generation missile defense shield.
